

Groundworker/ Labourer

Graham Heath Construction – Nantwich CW5 8EX

Due to the continued success of Graham Heath Construction, we are recruiting for a **General Labourer (foundation laying) /Drivers Mate.**

Key responsibilities include:

- Line marking sites.
- Pouring concrete foundations and setting anchor bolts.

Essential skills:

- Driving license.
- Fully fit and in good physical health.
- Reliable and hard working.
- Groundwork knowledge.
- Positive and helpful representative for the business.

The following skills are desirable but not essential as full training will be provided:

- Ability to drive a mini-digger.

Details:

Competitive salary: £11- £13.50 per hour, plus overtime at time and a half, plus night away money.

This is a Monday - Friday position, however, as you will be travelling to sites across the UK you will be required to stay away from home for 2 - 3 nights each week. It is essential that candidates are flexible as there may be a requirement to work additional hours. Full training will be provided and there will be progression opportunities for the right candidate.

If you would like to be considered, please email your CV to paul@gh-construction.co.uk or call Paul Hanson on 01270 781158.
